Seaholme Resident Wins Top Australian C.M.F. Award

The Governor, Sir Rohan Delacombe, and Lieutenant Governor, Sir Edmund Herring, were among the five generals who took part in a Citizen Military Forces parade last Sunday at which Australia's top award for C.M.F. officers was presented to Lt. Col. Neale Edmund Bavington, of Cambridge-st., Seaholme.

The parade was for the presentation of the Field Marshal Sir Thomas Blamey Memorial Award to the 1966 first and second placegetters, both Victorians.

Winner was Lt. Col. Bavington and Major William Vincent, of South Blackburn, was second.

Long service awards to 28 officers and 17 non-commissioned officers were also made.

All CMF officers in the metropolitan area and 300 hand-picked and specially-trained troops took part.

Present as guests were seven other generals, the Lord Mayor of Melbourne, Sir Ian F. Beauregard, and about 1000 spectators. The previous year's winner, Major D. E. F. Bullard, commanded Sunday's parade.

Lt. Col. Bavington was presented with a sword, 12 books on military subjects, an illuminated scroll and \$150.

The Blamey Awards were instituted in 1957 as part of a trust fund raised by public subscription to perpetuate the memory of Sir Thomas Blamey, Australia's old Field Marshal, who died on May 27, 1951, aged 67.

The awards are made annually in connection with courses for promotion from major to lieutenant colonel and are intended to foster leadership, intellect, decision and resolution.

They are made to the two officers showing the greatest aptitude for appreciating and solving those problems of leadership, tactics and administration which are most likely to confront a unit commander in war. Entrants come from all States.

Lt. Col. Bavington, married, with two young sons, is a teacher at Sunshine High and part-time tutor at Melbourne University. He holds degrees in Commerce and Education and at present is undertaking higher academic studies and is completing studies in Educational Administration with the Victorian Education Department.

He enrolled in the CMF 14 years ago and two years later was commissioned as an infantry officer. He later trained in artillery and when posted to Stawell in 1956 by the Education Department, he became a RAASC Officer.

Lt. Col. Bavington is now Commander of the Royal Australian Army Service Corps, 3rd Division, having been promoted since winning the Blamey Award. This appointment involves the provision of supplies and transport for a number of CMF units throughout Victoria. He is responsible for supervision of five depots at Coburg, Bendigo, Stawell, Horsham and Castlemaine.

His hobbies are mainly tennis and squash, but he also enjoys bush walking and climbing whenever time permits.

Lt. Col. Bavington is a former teacher at Altona High School and Stawell High School.

CHILD'S PET DOG SHOT

A child's pet, a seven-year-old golden labrador dog, missing from its home for one week, returned last Sunday shot in the top of its front leg.

Mr. A. Fry, of Chifley-ave., Altona, reports the dog disappeared on Sunday, May 21.

On the following Sunday it returned in a very muddy condition and barely able to stand. He said the injured dog could have made its own way home from the place where it had been shot.

It is now a patient in the Werribee Animal Clinic and may possibly have to have a leg amputated.

NATIONAL FITNESS COUNCIL REPORT

The National Fitness Council forwarded a report on Holiday Play Centres for January, 1967, to the last meeting of the Altona Shire Council.

It is pointed out that one centre at the Altona Youth Hall had 11 physical training staff and an enrolment of 350, with a daily average of 289—only two children less than in 1966, when the daily average was 291.

For the other centre at the Altona North Youth Hall, the trained PT staff numbered six and enrolment was 296. Daily average was 181—a 25% increase on the 1966 figure of 137.

INVENTORS HAVE AN OPPORTUNITY

Inventors participating in the West Footscray YMCA Hobbies and Trade Fair are now receiving the opportunity to publicise themselves and their inventions through television, radio and Press prior to the show.

A panel of qualified judges will make awards in both the industrial and domestic segments of the inventions section.

The show which annually attracts more than 10,000 viewers, is also attracting inventors from as far away as Bendigo and Kyneton.

As far as is known, this is the first time that inventors throughout the State have had the chance to present their work to such a wide public.

It is the aim of the organising committee to provide the opportunity for inventors to obtain recognition from both the public and industry for their ingenuity and talents.

For full details contact Mrs. Rowe (318-1060) or Mr. B. Dorreter (68-6432).

DAUGHTERS OF FORMER RESIDENT KILLED

Two little sisters tragically killed in a road accident on May 21 were the only children of Jeff and Margie Summers.

Mrs. Summers is a daughter of Mrs. and Mrs. Bert Stanyer, former residents of Queen-st., Altona, and now living at Tongala.

Four other people escaped serious injury in the collision which killed four-year-old Debra and two-year-old Linda at the intersection of the Kyabram-Tongala-rd. and Tongala East-rd. about 130 miles from Melbourne.

The mother of the two dead girls who was driving a panel van escaped with a fractured arm.

New Bus Time Table To Start

A much-improved bus service between Altona and Footscray will be operating from next Monday, June 5.

Broadly speaking, the service will be increased by 25%. A number of extra buses are scheduled to run.

Of special interest is the earlier starting time (first bus will leave Maidstone-st. at 5.30 a.m.), an additional night bus at 9.30 p.m. and a Sunday morning service with the first bus from Altona leaving at 9 a.m. Previously the Sunday buses started running about 1 p.m.

A time table clearly showing details of all services has been delivered to each Altona home. It is interesting to note buses will run far more frequently than the trains.

On weekdays 28 trains leave Altona for Melbourne. On Saturdays there are 26.

Forty-five buses will leave Altona West for Footscray and another 15 will run to Williamstown on weekdays. Each Saturday 37 buses will travel to Footscray and nine to Williamstown.

By the substantial increase in the bus service the new proprietor, Mr. C. J. Sitch, is going a long way to providing an adequate service for Altona residents.

COUNCILLORS DISAGREE ON CHARGE FOR CELEBRATION DINNER

The shire is to have the celebration dinner for its tenth anniversary next Monday, June 5, but ratepayers will have to pay for themselves if a councillor does not invite them.

The 150 lucky ones who will be invited by the council will get in free, and the ratepayers will have to foot the bill.

The 250 unlucky ones will have to pay \$6 per double.

(It was previously announced \$9 would be the charge.)

The reception was to have been held in the Civic Hall but this would only accommodate 100 people.

The celebration dinner is being held at the Altona Receptions in Borlack Square and 400 people will be provided for.

When Cr. H. W. Lee told the council of the arrangements at the last council meeting, Cr. W. L. J. Crofts strongly opposed the plans.

"It is wrong in principle," he declared.

"I presume the money to pay for all this will come from the general fund and I think it wrong in principle to have some people come free, while the ratepayers foot the bill.

"I say that if some come free, then everybody should come free, for it is a celebration that the ratepayers, as residents of Al-

tona, should enjoy without having to pay extra for it," he said.

Cr. Lee: "I object to the insinuation that we are differentiating between the people and inferring that some are second-class citizens. I find it offensive and I call for an apology."

Cr. Crofts: "There's no insinuation. If it was taken, it was not intended."

Cr. Lee said neighbouring dignitaries like the Mayor of Sunshine who was co-operating with Altona in local government matters, could be appropriately invited.

Of the others who were not invited by the council, Cr. Lee said "Those who pay come. Those who don't pay, don't come." "It is just a means of differentiating between those who come and those who don't," Cr. Lee said.

The council voted to accept the plan with Cr. Crofts and Cr. K. Jurga voting against it.

Crs. Lee, Ginifer, den Dulk, Cresser and Bond voted for the plan.

Auxiliary Furnishes New Ward

Members of the Altona District Hospital Committee of Management and Ladies' Auxiliary greet a new mother occupying one of the beds in the recently opened new ward at the hospital. A plaque commemorating the furnishing of the ward by the auxiliary has been fixed to the wall above the window. In working to improve facilities at the hospital the active Auxiliary engages in a number of fund-raising activities—progressive dinners, theatre parties, mannequin parades, the annual hospital ball, etc.

Pictured at the hospital last Thursday are (left to right): Mrs. E. ROACH, secretary of the Committee of Management; Mrs. K. FOWLER, president of the Ladies' Auxiliary; Mr. R. RIVETT, president of the Committee of Management; Matron I. B. SMITH and Mrs. CONCETTO TRIFILO, of Maidstone-st., Altona, whose first baby is a girl. In the top right hand corner of the photograph is shown an enlargement of the plaque.

EDITORIAL

A LUSTY CHILD

Altona as a shire is 10 years old. Among its venerable associates, Footscray, Williams-town, Werribee and Sunshine (formerly Braybrook) it is but a child—a lusty child.

When Altona was formed as an offshoot from Werribee Shire, much of the lines of the future development had been laid down.

Potential residential and industrial areas were limited by dominant physical aspects.

Already in the Altona Ward of the Werribee Shire the people had on at least one occasion shown their independence and will to resist a decision. [C.O.R.'s accepted plan to discharge effluent into the Altona Bay was defeated.]

On this foundation Altona Shire Council has built the Altona of today.

Altona's capital works are assets of which any municipality could be proud.

The shire administration, for its initiative and efficiency, has become noted in municipal circles.

The cost has been great. For finance an exceptionally high rate revenue has been augmented by exceptionally high loan programming.

But it must be said that all was done with the implied if not the explicit approval of ratepayers.

During half of the shire's history there has been no dissenting voice at the council table. Recently, with some opposition, debates have been more frequent. At the last council meeting a four to three majority was noted on a most important matter. The airing of different views may not expedite council business, but there are manifest benefits.

Now is the second decade. It will be a time of phenomenal change and altered social relations and attitudes.

The changes that must come to Altona in the Truganina Reserve and beyond, Cherry Lake, other main drainage works and the Lower Yarra bridge will not be greater than the increased interdependence and complexity of relationships between Altona and neighbouring municipalities.

Offer On Air Pollution Evidence

At least one person has offered to testify in court against air pollution in Altona.

Mr. A. Marinescu, of 31 Freemans-rd., Altona North, has written to the Altona Shire Council saying that he was prepared to go to court to testify that he has been troubled by briquette dust.

In his letter he said that for 10 years he lived near the State Electricity Commission's briquette dump and on some days it was not possible to see his next door neighbour's house because of the dust coming from the dump.

He said that sometimes the dust was one sixteenth of an inch thick over his home and he was forced to sell his home at a loss to move away from the nuisance.

Cr. H. W. Lee said: "If we get more people willing to come forward like this good man we will eventually rid ourselves of the nuisance in Altona."

'SHADOW CABINET' MAY AID ALTONA

The distribution of portfolios in the Australian Labor Party "Shadow Cabinet" has interesting possibilities to Altona's advantage.

Mr. W. L. Floyd, MLA for WILLIAMSTOWN, has been allocated Transport. He is likely to give due attention to the Williamstown-Altona rail service and possible extensions.

Dr. D. Lovegrove, MLA for SUNSHINE, has Fuel, Power and Mines. The Paisley briquette dump is related to each of these three items.

Mr. A. Todd, MLC for MELBOURNE WEST, oversees Agriculture, Forests and Public Works.

The importance of education is stressed by the facts that Mr. A. C. Holding, Leader of the Opposition, takes the portfolio and is assisted by former Speaker, Mr. P. K. Sutton.

Mr. Todd is also a Temporary Chairman of Council Committees. He and Mr. A. W. Knight, MLC for MELBOURNE WEST, are both members of the council's Printing Committee.

Mr. Floyd is a member of the Public Works Committee and Mr. Knight a member of the State Development Committee.

Local members on Joint Committees are—Mr. Todd, House Committee; Mr. J. J. Doyle, MLA for GISBORNE, Library Committee; Mr. Todd and Mr. Lovegrove, Statute Law Revision Committee.

Mr. Clive Stoneham also is a member of the Assembly Committee of Public Accounts.

LAVERTON REPORT By "Prog"

For the benefit of the travelling public to Footscray on Saturday morning, I have to inform then that the 9 a.m. from the "Top End" is now 8.30 from South Gate, arriving at Bladin-st. at 8.35 (except when it's raining). Then you have to stand in the rain until 8.45—and no apologies!

The Werribee Shire Council is looking for suitable sites for bus shelters and I feel sure it would appreciate suggestions from the public. Why not take them along to the Laverton Progress meeting NEXT MONDAY (June 5) in the Memorial Hall at 8 p.m. There you can meet your local councillors.

I understand that certain people in Werribee are under the impression that we are "Twin Towns," don't be fooled by this idea. Although we have a population of just over 6000 now, I believe that the target figure is over 20,000 in the next 10 years. (Just remember these figures in 1977, it's not far away.)

Our boundaries are as far away as Boundary-rd. to the north and Skeleton Creek to the south. Just imagine an area populated south of Geelong-rd. FOUR TIMES larger than the whole of Laverton today. This then will be the "Laverton of Tomorrow." (Twins indeed!)

Whilst digging into a book, "The Local Government Act (Vic.)" I came across an item of interest, Schedule 15, which briefly states—

"Each house or premises shall have a number prominently displayed affixed to the gateway or entrance—failure to do so renders the owner liable to a fine of \$4, and the council can affix such a number and recover the costs."

Not much there you say? Just wait till you put out the milk bottles and then look for your number.

Willie The Wag (again) was saying that "a little education is a bad thing" and goes on to prove it. He taught his dog to howl like mad everytime he whistled "Greensleeves." Yes! You guessed it. He can't shut him up everytime a certain vendor passes by, until he gives the dog a "grog."

The other night he ran out of that amber fluid and the dog howled all night. I understand the neighbour is going to report him to the RSPCA and to top it all, his wife has left him. (Ah well, happy days!)

No lights at the "Top End" yet!

I wonder who was in the black sedan (with the C of A plates) seen cruising around Laverton recently? Big wig?

There is no truth in the rumour that the Commissioner of Railways is to open up the new foot crossing here.

The council engineer, by the way, is looking for a suitable site for a TIP. Just driving down Bladin-st. it looks as though we have found one—just about every nature strip.

The new Laverton North Primary School in Whittaker-st. is well under way and I understand should be ready for occupation in about three months. Some mothers breathing sighs of relief.

During a conversation with a local councillor (Cr. B. F. Jackson) I inquired about his statement regarding the fencing in of the police station. He assured me that he had been slightly misquoted, and that in fact he did not object to the fencing being done by the council, but merely the fact that it had been done without permission of the East Riding Councillors, who had not made allowance for this area.

"They" are saying that the "rock thrower" of Nobel Park is a homesick Scotsman. He just likes to see "glass go!"

No need for a swimming pool in Laverton. Just wait till it rains. Then go to the corner of Bladin-st. and Thompson-ave. But, please, no water skiing within 20ft. of the swimmers. More next week.

"PROG." P.S.: I would like to mention that all letters from readers commenting on this column will be appreciated and answered.—"PROG."

AUTUMN PEST CONTROL

Now is the time to begin thinking of safety measures to guard against diseases in next year's fruit crops.

For home garden use, emphasis is upon the use of safe materials, such as bordeaux, oils and lime sulphur.

Lime Sulphur is a very old but still useful dual purpose spray when used where it is most needed. Mainly as a dormant insecticide, and fungicide.

In June, the safe strength to use is eight to 10 parts diluted with water to make 100 parts of spray.

For disease control, apply Bordeaux at the recommended dilution in water, as suggested on the container, and spray apricots when the leaves have thinned a bit.

Spray other kinds of fruit at the same time. This will be a little earlier, as peach and pear hold their leaves until well into winter.

Almonds are very susceptible to shot hole disease and should be sprayed in autumn and at early bud swell with Bordeaux. The almond is usually a large tree, but an adjustable nozzle can give you a thin stream which will penetrate the leaves at a distance of 15ft. or more.

At the fully dormant stage there would be no difficulty in fully wetting the bare limbs. Plums, peaches, cherries and

nectarines are subject to shot hole and the fruits of nectarine can be badly affected. Autumn and winter sprays of Bordeaux, followed later at full bloom and at intervals in early summer and pre-harvest with Thiram 80 (TMTD) will greatly help in the picking of disease-free fruit.

For citrus trees, summer or early autumn sprays should have been applied by now for red scale control, but if they were not, they should be sprayed as soon as possible, using Rogor EC, plus clear, white oil.

In answer to a question regarding the lemons falling off the tree early, there are a few reasons.

First of all, lemons do not like wet feet, and the first thing to do when planting lemon trees is to make sure the tree is not planted in a position where the water will lie. Also, lemons will drop fruit if the tree is still young and growing. Most of the growth is going into the tree and at about six years of age the tree will have a larger root growth and so will be able to give more food to the tree and hold the fruit better.

ALTONA BOWLING CLUB PRESENTATION NIGHT

Last Saturday the Altona Bowling Club had their yearly presentation night, which took the form of cocktails, dinner, presentations and dancing.

The president, Mr. Tom Burke, proposed the first toast of the evening, to Her Majesty The Queen.

He then welcomed the representative of the Royal Victorian Bowling Association, Mr. D. Klein, and proposed the toast to that body. Mr. Klein then suitably responded and thanked the club for their loyalty to the RVBA.

The senior vice-president, Mr. E. Roach, proposed the toast to the Shire of Altona and welcomed the president of the shire, Cr. S. G. McIntosh, and his good lady. Cr. McIntosh replied on behalf of the shire and congratulated the club on its steady advancement.

Vice-president, Mr. B. Hill, then proposed the toast to the guests. There were a goodly number of guests, including Mrs. Mann, vice-president of the Victorian Ladies Bowling Association, and representatives from neighbouring bowling clubs and friends of members. The representative from the Footscray City Bowling Club responded on behalf of all guests.

Next came the presentation of trophies and Mr. Klein presented the club champion, Mr. F. Nilsen, with the championship

trophy for being the runner-up trophy, and Mr. G. Russell with up.

Mr. Burke then presented the winner, Mr. R. Don, and the runner-up, Mr. W. Monkhouse, with their trophies in the president's handicap.

Vice-president Ernie Roach presented R. Don (winner) and Ted Franks (runner-up) and their trophies in the 100-up handicap. It is interesting to note that in a short space of five years Bob Don has won two club championships, two president's handicaps and three 100-up handicaps.

Mr. Klein presented the trophies to the winners and the runners-up in the club prize. Mr. T. Eyre and Mr. H. Critchley won the event and Mr. H. Blair and Mr. G. Snowden were second.

Mrs. Mann presented the ladies trophies.

Mrs. Win Neal won the championship, with Mrs. Esse Oliver runner-up. The 100-up went to Mrs. V. Sevlor as winner with Joan Milliken in second place. The ladies pairs was won by

Mrs. Pat Gischus and Joan Milliken and runners-up were Mrs. M. Mills and Mrs. E. Beyer.

Mr. Klein congratulated the club and the C5 Pennant Team on winning the pennant and he presented members of the team with an inscribed silver tankard each.

As all trophies were presented, Mr. Frank Nielsen responded on behalf of all trophy winners. He said that the game of bowls had thrilled him personally and was sure that all trophy winners felt as he did and hoped all would be well and ready to play again in the coming season.

Dancing was then the order of the day and was in the capable hands of Mr. J. Flynn, as MC.

JUDGE WILL BE THE GUEST SPEAKER

His Honour Judge D. Corson, of the General Court Sessions, is to be the very distinguished guest speaker at the quarterly meeting of the Probation Officers Association, Western Suburbs Branch.

Judge Corson is very interested in the work and problems of probation officers and his talk will be an inspiration and should provoke many questions.

All probation officers and anyone interested in family welfare or youth work are most welcome.

The meeting is to be held in the Sunshine Town Hall, Hampshire-rd., Sunshine, on Thursday, June 8, at 8 p.m.

For further inquiries ring the president, Mrs. Wally More (311-1607), or Mrs. L. Brooks, honorary secretary (311-4927).

Home After Three Weeks Touring

Home from a three-week's holiday trip, which took them as far as Alice Springs, are Marj and Noel Richardson, of Mount-st., Altona.

Motoring to Adelaide, they boarded the train for Alice Springs where they stayed 10 days. On arrival the Todd River was in its usual dry state, but before leaving the rains came and they were fortunate in also seeing it in flood—flowing 6ft. above the causeway.

Trips were taken to the Stanley Cavern, Simpsons Gap and other scenic spots.

On return to Adelaide the Richardsons drove up through the Barossa Valley and on to Mildura before heading south again for Melbourne.

WORKING MEN'S CLUB SOCIAL

It was cheering to the body and consoling to the feet when one stepped into the Altona Working Men's Club's delightfully warm premises last Friday night and there to greet people were friendly faces, and the atmosphere of good fellowship prevailing in this club.

Members and their guests joined in a Friday night party with Fay Harkness at the piano—and it was obvious that those present were the winners—and those absent, the losers.

A short visit to the billiard room showed it to be crowded—tournament games being the "meat in the sandwich" so to speak. A larger room and more tables are desirable; but, with this club, who knows? Such requirements may not be too far off fulfillment.

The preamble to this note applied also to the following night (Saturday dance night), and, although the attendance could have been better, an enjoyable and convivial night was had by all. Eddie Wardle's band contributed the music and was as popular as ever.

A cabaret night is scheduled for Friday, June 2, and a ranch night dance on Saturday, June 3.

NO CHILDREN ON SCHOOL CROSSINGS?

Parents of children in Victorian State schools have been asked to refuse to give permission for their children to take any part in the supervision of school crossings after July 1.

This was announced today by the president of the Victorian Federation of State School Mothers' Clubs, Mrs. D. Houghton, and the president of the Victorian Council of School Organisations, Mr. J. T. Dunn.

The request has been made in a circular letter sent to the school committees, advisory councils and mothers' clubs which are members of the two State organisations.

The letter is the result of talks between the executive members of the two bodies and a decision by the quarterly conference of the Federation held in Melbourne on March 16, at which the mothers asked that all children should be removed from any form of supervision of school crossings.

These talks followed discussion of the appointment of adult crossing supervisors by some municipal councils and criticism of this action by the Chairman of the Traffic Commission, Mr. J. D. Thorpe.

Mr. Dunn explained that Education Department instructions require written permission from parents before any child can take any part in placing flags on crossings or in any other form of supervision.

He said that for more than 10 years, parents have been demanding that both organisations seek improvements on school crossings, but repeated representations to the Traffic Commission have produced nothing.

The two presidents emphasised that, while the State organisations could take deputations to the appropriate authorities, only the parents themselves can decide whether or not they will allow their children to face the dangers and responsibilities of traffic control on busy roads. "We are not asking for over-passes or policemen at every school crossing; all we ask is that crossings should have legal standing without the need for volunteer labour and where supervision is necessary, this should be the responsibility of properly trained adults and not teachers or children," Mr. Dunn said.

The two presidents said that, given the support of parents, and a change of heart by the Traffic Commission they believed that these improvements could be achieved.

MISSIONARY TO PREACH

This Sunday, June 4, the Victorian Secretary of the Australian Board of Missions, the Rev. Robert Butters, will preach at the 9-30 a.m. Family Eucharist, at St. Luke's Church of England, Blackshaws-rd., Altona North.

The congregation is invited to remain after the service for coffee when they will have an opportunity to meet the preacher.

There will be no Sunday School on that day as children are encouraged to attend the Family Eucharist with their parents.

The Rev. R. Buttress is a Melbourne priest who returned after a period in New Guinea. He accepted appointment to his present position early last year.

Hobbies and Trade Fair

The West Footscray YMCA Fourth Annual Hobbies and Trade Fair, which will be held from July 27 to 29, will contain many original features, including working demonstrations of cutting and polishing gem stones by the Western Suburbs Lapidary Club; a drawing-room setting in period style by the Needlework and Tapestry Workers' Guild; demonstrations of cooking, cake decorating and floral art.

Glass blowing, which has been a regular and very popular event in the Fair over the years, will once again be featured owing to public demand.

YOUNG LABOR MEETING

The Altona branch of the Young Labor Association is conducting a meeting on Wednesday, June 7. All members, or perhaps people wishing to join, are requested to attend.

Joining fees are \$1. or 50c for students.

The meeting will be held at the Homestead, 128 Queen-st., Altona, and will commence at 8 p.m. The main topic open for discussion on the night will be "Future Fund-raising Activities."

If any of the branch office-bearers can not attend on the set date, would you please get in touch with Ron Smutay between 9 a.m. and 4 p.m. weekdays, on 314-9161, ext. 226.

3rd Altona Scouts Activities

Parents of the 3rd Altona Scout Group meet on the first Wednesday of each month. The next meeting will be on June 7 at 8 p.m. in the committee room at the Altona East branch library at The Circle.

Members would be pleased to welcome other parents to these meetings, which are concerned with the welfare of the Scout Group.

Special thanks to Mrs. Chapman and assistants for a pleasant evening with the floral beauty demonstration.

A recent special effort conducted by the group was won by No. 05, Mr. Chapman.

Letter to the Editor

Dear Sir,

I offer congratulations to the DLP for proving conclusively that the people are more willing to believe a convincing lie than the unconvincing truth.

The referendum last Saturday proved this. The facts, however, were blurred and overclouded and were, therefore, unconvincing. The true fact was that by voting YES in the referendum for the first amendment, the people would be creating less parliamentarians because the number of Senators would not have to be increased when Parliament increases in the House of Representatives.

The people who voted NO were led to believe by the DLP that the referendum was to increase the size of the House of Representatives. This was not so. More parliamentarians will be created now because the number of Senators will have to be increased. You don't need a referendum to increase the size of parliament, only to alter the Constitution.

If the people voted YES, then parliament would only increase by 48 members. However, by voting NO they were forcing the people to pay for 72 new members. This increase is caused by 24 Senators having to be created.

The DLP knew this, yet they stated that by voting NO for the first amendment you would be voting against any increase, yet they are making you pay an additional 24 Senators.

This just goes to show to what length this extremist, sectarian, minority party will go to mislead the people. The DLP would gain more Senators for themselves if the Senate is increased. This is why they wanted a NO vote because now the Senate will have to be increased by 24 members.

Let's hope the people can now see the truth unobstructed.

Yours faithfully, GEOFFREY C. CRESSER, Public Relations Officer, Altona Branch, ALP.

ALTONA SQUASH TOURNAMENT

The Altona Squash Club is now in the midst of the yearly open tournament. There are 32 contestants, representing a good cross section of players from Altona and surrounding districts.

The final of the tournament is expected to be played on Sunday, July 2, and by the standard of play this promises to be a spectacular game.

The club's No. 1 Pennant Team suffered its second defeat of the current season last Thursday night and they now hold second place on the ladder.

No. 2 and 3 Teams are also going quite well and both hold fifth position in their respective divisions.

BEST for No. 1 are R. Moody, N. Dart and M. Quinn.

The Women's Pennant is now at the end of the season. All the girls met with extremely hard competition, and should find it easier next season.

BEST for the season was Fay Jeffrey.

Next week's tournament games are as follows—

Bob Moody v. Eddie Cocks. D. Cocks v. N. Vassalo. W. Kotow v. J. Morley. L. Sharp v. B. Davis. D. Johnson v. winner of match to be played.

CAMERA CLUB IS ACTIVE

Last Friday's meeting of the Altona Camera Club brought it another step forward in the Beginners' Course.

Close-up photography was the topic under the lecturer's microscope and this was verbally dissected and explained in terms which were easily followed.

The necessity of certain lens and attachments, such as bellows and extension tubes were demonstrated and several colour slides were viewed showing the type of shot which can be taken by using the correct equipment.

Following the lecture, slides were screened by members who desired constructive criticism of their efforts. Many excellent slides were shown and several points were explained about the use of depth of field, which would fade out any unnecessary background material and centre attention on the subject.

A reminder to any who may be thinking of joining the club. Meetings are held every second and last Friday in the month, 7-30 p.m. at the Homestead, 128 Queen-st., Altona. So come along and enjoy a pleasant evening in a happy, relaxed atmosphere.

All Six Baseball Teams Have Good Wins

The six Newport Baseball Club teams all had convincing wins last Saturday and showed a welcome return to the good form of the early part of this season.

The A Team held their place in the four; the C Team convincingly defeated their section leaders and the Under 13's improved out of sight to notch their first win for the season.

The B Team, Under 17's and Under 15's all held their places in the four.

MATCH RESULTS

A TEAM

After the previous poor showing against Ivanhoe, Newport came out of Saturday and played improved baseball and soundly defeated Kew 1-0. The score is no indication of the game as Newport were never troubled at any stage.

Sound pitching by Terry Forrester was backed up by brilliant fielding, but the batting of the team against poor pitching stopped Newport from scoring many more runs.

SAFE HITS: J. Maher, B. Ockwell, W. Minnett and A. McKay.

BEST: T. Forrester, B. Ockwell and A. McKay.

B TEAM

At Kew, Newport's good team work, batting and allround superiority paved the way for a sound 12-3 win.

Jim Kelly and Reg Simpson hit home runs to highlight the batting, when 12 safe hits were registered.

SAFE HITS: K. Johns 3, J. Kelly 2 (including home run), R. Simpson 2 (including home run), S. Bunting 2, K. Quinn, T. Meacham and J. Armstrong.

BEST: J. Kelly, J. Armstrong and K. Johns.

C TEAM

Against top side Kew, Newport batted extremely well to topple the leaders 24-11.

Home runs were hit by Barry Webb, Peter Cochrane and Peter Campbell.

Only for poor fielding the winning margin would have been greater. Newport can and has fielded much better than this display last Saturday.

SAFE HITS: P. Cochrane 4 (including home run), P. Campbell 3 (including home run), G. Williams 2, A. Solomano 2, B. Webb (home run), A. White and W. Thom.

BEST: P. Cochrane, P. Campbell and A. White.

UNDER 17

Good pitching by Russell Burke for Newport against Airport West chalked up a 12-7 win for Newport, but a bad fielding lapse by this team brought Airport West much closer than they deserved.

SAFE HITS: P. Trentini 3, I. Lees 3, S. Cross, B. Esmore and

J. Crech. BEST: P. Trentini, R. Burke and N. Thatcher.

UNDER 15

This young Newport team won this game with good batting and fielding.

Harry Bunting pitched a no-hit game for the victors.

SAFE HITS: H. Bunting 2, G. Thompson, N. Lees, R. Bunting and H. Zanner.

BEST: H. Bunting, D. Forrester and N. Lees.

UNDER 13

At Royal Park Newport's "mighty midgets" came out a vastly improved side against Sandringham and gave them a 10-0 lesson in fielding and batting.

Jeff Esmore secured 10 strikeouts with good accurate pitching.

SAFE HITS: K. Lees 2, K. Stonehouse, J. Esmore and R. Maser.

BEST: J. Esmore, K. Lees and K. Stonehouse.

NEXT GAMES

Games for next Saturday June 3, are as follows—

A and C TEAMS play Oakleigh at Newport Sports Oval at 12.30 p.m.; B TEAM play at Oakleigh at 2 p.m.

UNDER 17 meet Preston at Newport at 9.45 a.m.; UNDER 15 play Ivanhoe away; and UNDER 13 are at Fawkner Park against South Melbourne. Under 15 and 13 to meet at the Masonic Hall, Newport, at 8.30 a.m.

GAME THIS SUNDAY AT NEWPORT

This Sunday, June 4, will see one of the top matches of the year when Newport play Melbourne University at Newport Sports Oval at 2 p.m.

University are unbeaten, but it is confidently felt that Newport can end their winning run.

All persons interested are urged to attend this Sunday and lend vocal support for the local side.

CLUB NEWS

The Newport Baseball Club Old Players' Association will meet in the clubrooms at 7.30 p.m. on Friday. All interested persons are welcome to attend.

The dance last Saturday night was a success, although it would have been more gratifying to the social committee had a few more present-day players attended.

COUNCIL SUGGESTION KNOCKED BACK

— The Prime Minister's department in Canberra has knocked back an Altona Shire Council plan to help aboriginals.

The council had suggested that the Federal Government make an appeal for aboriginals in the same way the money was raised for the Tasmanian Bushfire Relief.

Secretary of the Prime Minister's department, Mr. E. J. Bunting, wrote to the shire secretary, Mr. J. Waters, saying:

"I have been asked to acknowledge receipt of your letter to the Prime Minister in which you suggested that a public appeal, on the lines of the recent Tasmanian Fire Relief Appeal, should be made to provide funds for the welfare and relief of Aborigines.

"While the Tasmanian Fire Relief Appeal was established to meet a sudden emergency of a limited nature, the welfare of the Australian aborigines is a continuing charge of Commonwealth and State Governments within their respective spheres of responsibility.

"Financial responsibility for the welfare of aborigines in the several States rests with the State Governments concerned. The Commonwealth makes substantial financial assistance available to the States each year to help them to discharge their responsibilities, including those they have towards aborigines. However, it is for each State to decide what proportion of its aid for the benefit of aborigines, available funds shall be allocated

"All Australian Governments, Commonwealth and State, endorse a policy of assimilation which seeks that persons of aboriginal descent will choose to attain a similar manner and standard of living to that of other Australians and live as members of a single Australian community. This policy became uniform throughout Australia in 1951 and much has been done to improve the position of aborigines under legislation and to provide direct assistance to them in accordance with this policy, the letter concluded.

When the letter was tabled in

Move For Standard House Numbers

A move is being made to have standardised light reflecting street numbers on all Altona houses.

Cr. H. W. Lee said at the last Council meeting "Ambulances trying to get to a house on a dark wet night would find it impossible to find the right place. Irrescent lights on the house numbers are a good idea. It's no good trying to find numbers in the dark.

"Let's have a look at our by-law to see if it is tight enough," he said.

council, Cr. W. G. Cresser said "Government schools should be established for the aboriginals. "Don't leave it to the missions to exploit them.

"Twenty-nine big cattle stations were put up for sale in the Northern Territory. Twenty-seven of them went to Americans and two went to Australians.

"Their heritage is being sold. "The aboriginals are being pushed back to the desert where crows can't get a feed."

ALTONA WEST KINDER REPORT

Lorraine Booth, secretary of the Altona West Kindergarten committee says in the past year their has been a happy association of children, mothers and staff.

The monthly meetings have been well attended throughout the past year.

Average attendance approximately 12 ladies.

The Committee's main efforts for the year were:—

1. A Hairstyling Demonstration which was most successful with approx 90 ladies present.
2. Special effort with a parcel of linen as a prize, which raised \$54.
3. Theatre Party to see "My Fair Lady."
4. Monthly "Beetle Evenings" which have proved popular but which have not earned as much profit as previously.

During the past year, a group of ladies attended a meeting of the Australian Pre-School Association and heard Prof. Lucille Lindberg speak on the pre-school child. This was a most fascinating evening. The Committee has been able to provide various items of equipment for the children which Mrs. Tayles has requested.

These include a record player and percussion instruments. We have also helped finance excursions. This year, children enjoyed outings to the Essendon Airport, the Railway Museum, the Victorian Ballet Guild.

Mrs. Tayles and Mrs. Grieve joined the mothers at our Christmas break-up which was dinner at the Hotel Australia followed by a film.

Mrs. Tayles and Mrs. Grieve have worked hard for the children and earned their devotion.

I'm sure all the parents appreciate their efforts. On behalf of the Committee, I thank these two ladies for making our Kindergarten happy and thank the Kinder possible, the secretary Altona Council for making our said.

BUILDING REGS. MAY ALTER

The shire council's planning committee is examining a proposal to allow the erection of more than one house on allotments that are 50 per cent larger than the prescribed minimum.

Brighton council had made the suggestion to the Municipal Association (the group of all shire and city councils).

Brighton wants authority to erect four houses on a large site within its boundaries.

It has suggested that the Uniform Building Regulations, which control building in the whole of Victoria, be amended to allow it to be done.

The regulations at present permit two houses on a 50 per cent over-size site subject to certain conditions such as sewerage or septic systems available, the houses to be 30 feet apart, the specified distance from boundaries and streets, and having a 10 feet wide drive to the second house when the land is not a corner allotment.

The proposed amendments to Clause 804 would be to provide for one house including out-buildings, to be erected on land having not less than three-quarters of the minimum area permitted by the Council.

Buildings shall be completely detached and located not less than 10 feet from any portion of any other building on the site.

The driveway at least 10 feet in width shall be provided at the side of the building nearest the frontage so that vehicular access will be available to the rear building.

Appropriate provisions regarding set back from side boundaries, front and side streets shall be adhered to with the provision that no building shall take place within 15 feet of the rear boundary.

Church Proposed For Kyle Road

A Church of the Nazarene may be built in Kyle Rd., near Cyclamen Ave.

Messrs Matejin, Cugar & Jirka of 40 Fifth Avenue, Altona North, are seeking permission to use land known at Lot 719 in Kyle Road for the erection of the church.

The land has frontage of .51 feet to Kyle Road by depth of 150 feet and is approximately 146 feet south of Cyclamen Avenue.

The Shire of Altona Planning Scheme 1958 has zoned this area residential.

Church use, subject to the setting aside of appropriate car park area, is an accepted use in a residential zone.

The shire's planning committee is examining the proposal.

NURSING SERVICE FOR ALTONA?

A local committee of the Royal District Nursing Service may be formed in Altona.

The shire president, Mr. S. G. McIntosh, has undertaken to convene a public meeting in the committee room at the Civic Hall on Thursday, June 8, 1967, to enable representatives of the Royal District Nursing Service to outline the aims and work of the service in the community with a view to forming a local committee to assist in raising funds for "Operation Home Run".

The president notifies the public of the meeting and commends the Appeal and asks that as many people as possible, and particularly representatives of interested organisations, to be in attendance.

DOORS MUST NOT BE LEFT ON

It is now illegal to dump any ice chest, refrigerator or any similar article without having first removed its doors, lids and catches.

The shire council has adopted a Local Government Act amendment which provides a \$200 penalty.

The "dumping" applies to abandoning or placing a refrigerator on any tip, public reserve, public place, or unfenced land.

The legislation follows the deaths of several children who suffocated when they locked themselves in abandoned refrigerators.

New Time Table For Altona Bus Lines

Altona Bus Lines has prepared an attractive time table for distribution to all Altona homes.

The new owner, Mr. C. J. Sitch, wishes to develop the Altona service to the fullest capacity.

He believes that the issue of this card will at least show residents the ample facilities available.

Scouts Want Land For Hall

The newly-formed 4th Altona scout group is seeking land to build its own hall.

Mr. L. Wills, president of the Footscray, Werribee Boy Scouts District Association has asked the Altona shire council if it would reserve land at the corner of Blyth and Maidstone Sts. for the hall.

The council's parks and fore-shores committee is examining the request.

WESTERN SUBURBAN FOOTBALL LEAGUE NEWPORT TOPPLE LEADERS

Laverton went to top position in the Western Suburban Football League after Newport downed the previously unbeaten Maidstone in Open Age last Saturday.

But even though won, Newport went out of the four on percentage after West Newport defeated South Kingsville by 185 points.

Newport gave another walkover in the Under 18's and West Newport continued on unbeaten in Under 16.

MATCH RESULTS OPEN AGE

Newport 11.13-79, d. Maidstone 1.10-76. Central Altona 16.9-105, d. RAAF 4.4-28. West Newport 12.24-210 d. South Kingsville 4.1-5. Laverton had the bye.

MAIDSTONE lost top position in their first loss at the hands of NEWPORT, who won by three points after being seven goals down at half-time.

CENTRAL ALTONA proved superior to RAAF, who fought the game out strongly to the finish.

WEST NEWPORT, although winning easily, were surprised by SOUTH KINGSVILLE's never ending determination and this should give them a win soon.

UNDER 18

Werribee 18.16-124 d. Central Altona 5.4-34. West Newport 9.21-135 d. Laverton 5.9-39. Altona received a walkover from Newport.

The losing teams in both games had their share of the play, but fell down on the forward line.

CENTRAL ALTONA were inclined to let their opponents wander and this gave WERRIBEE the opportunity to create the loose man game and score a few extra goals.

LAVERTON found WEST NEWPORT's play on game hard to counter but will gain by the experience.

NEWPORT, for the second week in succession, gave a walkover, this time to ALTONA, after failing to have sufficient players turn up.

The executive committee of the league will call all Under 18 players of the club together next Friday night to find out why they are not making themselves available.

UNDER 16

West Newport 11.13-79 d. Al-

tona 4.5-29. Werribee 12.12-84 d. Devon Park 1.2-8. Newport had the bye.

WEST NEWPORT defeated ALTONA convincingly, the losers not playing as well as expected. Greasy conditions and showers during the game seemed to affect Altona more than their opponents.

DEVON PARK, although well beaten, again showed that they are strong on the back line but weak at the other end.

Altona Reserves Have First Win

Altona Football Club Reserves in the Metropolitan Football League Second Division gained their first victory at the expense of Thornbury.

This game was very even for three quarters, with the scores level at the last break.

Aided by the strong contingent of Under 18 players, plus a determined effort by all, the locals gained the break early in the last term to run out strong winners by 20 points.

Now that they have cracked the ice, Altona should gain more wins, especially in the next four games at home.

METRO. FOOTBALL LEAGUE—SENIORS ALTONA WIN EASILY

Playing against a mediocre South Melbourne Districts at Grant Reserve, Altona made hard work for three quarters of what should have been an easy game.

It was only during the last quarter when some players realised their potential, that Altona looked class side.

Up to this point the majority had been content to plod along at the same pace as their less talented opponents. Exceptions to this was the centre line of Riehlly, Mal Tisdale and Phil Reid, who were a clear winning factor to all day.

Noel Rohleder, Robin Petersen and Del York also gave four quarters of football.

Proof of the lethargic approach for three-quarters was shown in the scores of Altona's 9.8-62 scored in three quarters, compared to their 9.5-59 kicked in the last quarter.

All players came into the game during this quarter and South had no answer to the speed and quickness of ball movement in a fine 25-minutes exhibition of football.

However, one quarter of football is not going to be nearly as good enough for the tough times ahead and if Altona is going to be a finals contestant, then quite a few players must be a lot more than they are today at present.

FINAL SCORES: Altona 18.13-111, defeated South Melbourne Districts 8.10-58.

GOALS: Schwabbe 4, Molloy 3, Rohleder 2, R. Petersen 2, Yorke 2, Skelley 2, Harrington, Riehlly and Piovesan.

BEST: Mal Tisdale, I. Riehlly, P. Reid, N. Rohleder, P. Petersen and D. York.

INJURED PLAYERS

John Petersen: Severe ankle sprain and may have to miss Saturday's important game against East Brunswick;

Les Wenlock: Bruised heel, which is slowly responding to treatment. Les is another one doubtful for this Saturday;

Geoff Ewen: Shin injury. Geoff will probably train this week, but may not be ready;

Barry Hogan: Ear infection, but will probably be available this week.

ALTONA HOCKEY CLUB RESULTS

Competition leaders Brunswick, defeated Altona's A Reserve hockey team 5-3 last Saturday afternoon.

As in previous matches, Altona were quick to take the lead, scoring two goals to Brunswick's one in the first half of the game.

The second half saw the game turned, with Brunswick playing all over the Altona defence.

Altona's lack of fitness once again showed in many valuable positions and this gave Brunswick enough opportunity to win the game.

Team training is on Sunday at 8 a.m.

GOALS: G. Hurrell 2 and N. Hunter.

BEST: G. Hurrell.

B NORTH

On Saturday Altona defeated Kew 4-0.

The game was highlighted by R. Lukaszek (centre forward), who was able assisted by J. Lawley and K. Robertson at half back positions. Once again B. Forester put on a grand performance of footwork to keep Kew at bay.

GOALS: J. Gardner 2, R. Lukaszek and D. Stevens.

BEST: B. Forester, W. Lenzyyn, D. Stevens and R. Lukaszek.

C WEST

Altona played RAAF Academy at Point Cook in very slippery conditions. In the first half Altona's back line was hard pressed, but at half time no score was recorded for either side.

Altona started well with a goal for a penalty corner after the break, but RAAF followed suit with two to finish the game and defeated Altona 2-1.

GOAL: Gordon.

BEST: B. Gardner and Gordon.

E NORTH

Altona played Strathmore at Royal Park and won 5-0.

The game started with fast, forward teamwork and Altona was quick to score through John Golden and J. Grant. Then the teamwork faded away and very scambly play existed til half.

Another Good Soccer Win for Altona

Altona Soccer Club is certainly gaining supporters as the senior teams goes on its winning way.

Again last Saturday, as the game got under way, the touch lines were crowded and in the very first minute of play Altona swept into attack.

Through ball saw Vanderpoel, with an electrifying burst of speed beat the goalkeeper to the goal and net a goal for Altona. Vanderpoel was knocked out in springing this goal. However, he is able to keep playing, even though he was not the same as the rest of the match.

To make matters worse for Altona, Barry Abbott was injured and had to leave the field. He came "the straw that broke the camel's back." The visiting coach Jim Balish was injured. What a start to the game! The goal up, but three of the

best players injured. It is times like this that tell whether a team is a true League leader or not.

Grecco played like a man inspired, as did Copley and the Maroons kept control of the game.

Copley outstripped the Albion defence, but his parting shot flew past the post. Andy Rice, back in the side after illness, sent Herman away. A clean pair of heels was all the Albion defence saw as Herman took off.

However, he got too close to the 'keeper and his shot was saved.

Barry Stevens started to make his presence felt. A good header went flying over the bar. Next minute he let fly from a good pass by Herman, but again he was off target. However, at least he was trying.

Albion was tackling very late and appeared to be getting away with it, while Altona was being pulled up for everything.

A breakaway by Albion's centre, saw Ian Roberts bring off a great save. Wilkie and Coles, on the wings for Altona, were having a lean time—victims of the breakdown through injury of the 'Altona soccer machine.

In the second half Albion were in control, but the Maroons' defence was supreme. Milloy and Rice supported Grecco and Copley, who came charging out after the ball, giving Albion no chance to score.

At the other end Herman and Stevens combined well, making it hot for the opposition. Stevens wasn't having the best of luck with his shots, but everytime he got the ball it spelt danger.

Vanderpoel steadied Altona down. "Limp-along" Balish and "Prof." Wilkie responded and the rhythm that had been missing came into action.

Herman was flying, but a goal eluded Altona. Then came the highlight of the game—Ian Roberts, with only a glimpse of the million. Defying the Albion side of any chance to share the ball, brought off a 'save-in-a-points and another two valuable points were Altona's.

Next weekend there is no game as Australia plays Scotland in Melbourne.

The weekend after Altona play Frankston away. Every supporter will be needed for this promotion battle.

RESERVES

The Reserve XI had a good 2-1 win over Albion Rovers.

Ian Macfarlane scored twice. Glen Macfarlane was great at right half. Peter Bryden gave good support. All the young players are playing well and are knocking on the First XI door.

LACROSSE CLUB WINS POOR GAME

Last Saturday Altona defeated Eltham 19-3 in lacrosse.

Altona played a disappointing game, but still managed to win.

GOALS: B. McMinn 6, R. Little 4, J. Houston 4, R. Benedierks 3 and D. McMinn 2.

BEST: B. McMinn, K. Little and R. Rigby.

NEXT GAME

Next Saturday Altona will play Newport at home.

WESTERN SUBURBS DARTS ASSOCIATION

Bristol Remains Undefeated

Bristol coasted to any easy victory against Seaholme last Thursday night in the Western Suburbs Darts Association.

Pressure was applied by both sides as can be seen by the number of darts used by the winners and balance of scores to be obtained by the losers.

In the first singles "Gunga" Dean (Bristol, 39, 62, 40, 38, 44, double 19) easily disposed of Peter Hunt (Seaholme, 23, 15, 32, 39, 26).

"Old reliable" Sid Naylor took out Terry Rogers (Seaholme) in 24 darts, scoring 39, 30, 94, 60, 41, 0, 47.

Ron Bailey was the first one to "break the ice" for Seaholme by defeating "Scotty Morrison" in 18 darts (48, 100, 59, 84, double 10).

Wally Ellis was the next Seaholme player to win his game, against Ted Healey. Ted was left with double 18 to win, but Wally threw double 12. His scoring darts were 0, 72, 30, 40, 24, 29, 42, 40, double 12.

Mick Ellis then disposed of Bristol's Keith Robinson in a marathon match lasting 32 darts, and it appeared as though Seaholme had "hit their straps" and were making a fighting come back.

However, they then lost the next three singles matches.

Seaholme came back in the first of the doubles games when Ron Bailey and Peter Hunt disposed of Morrison and Robinson.

However, Bristol then swept the opposition to win the next three doubles and finally the teams match to make Bristol undisputed leaders of Division 1.

Goodrich just managed to defeat Sunshine RSL by the teams game and Jim Crooks (Goodrich) threw 180.

Altona Working Men's Club took a slight grip on No. 1 posi-

tion in the Division 2 when they defeated Exchange Hotel 10-3.

VDA CUP

Last Tuesday week Western Suburbs met Mountain League in the first round of the Victorian Darts Association Inter-League Cup.

Although Western Suburbs lost 10-6, they were not disgraced, as the majority of games were lost on the double.

However, Western Suburbs are confident they can take out the State Teams Championship on Sunday, June 11, at the Altona Working Men's Club.

ALTONA U-16 LOSE TO WEST NEWPORT

In what turned out to be a disappointing game, West Newport easily defeated Altona in the Under 16 Grade of the Western Suburban Football League.

The visiting side's play-on style proved too much for the locals, who must develop this department of their game before they can hope to defeat the League leaders.

FINAL SCORES: West Newport 11-13-79, defeated Altona 4-5-29.

GOALS: Stephenson 2, Chatfield and Van Dyke.

BEST: K. Flett, V. Patteras, J. Walker, B. Garde, W. Simmons and D. Chalmers.

"STAR" VOTES

BOYS' BRIGADE FOR LAVERTON

With the increasing amount of Laverton boys who are members of the Boys' Brigade of Altona Baptist Church, it seems likely that a new company may be formed in Laverton soon.

However, this could leave the Altona contingent short for a while as the bulk of the company comes from Laverton as well as Brooklyn Migrant Hostel.

Last Sunday evening members of the Brigade donned their spotless uniforms in order to attend a church parade at the Altona Baptist Church.

During the service Pastor D. Reynolds presented the squad medal for this month to Lance Cpl. Stephen King and No. 2 Squad.

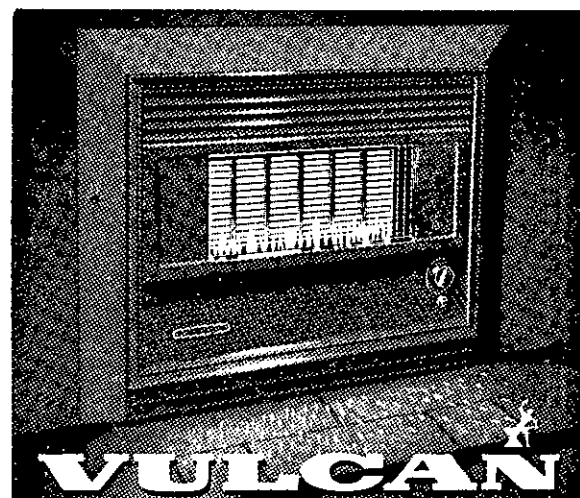

Another presentation made by Pastor Reynolds was a diploma for seven years' perfect Sunday School attendance to Pte. Harry Hurlaar.

Recently members of the photographic arts group went to see the film version of "Sound of Dunkley" has just recovered from "Music" and Warrant Officer his ordeal. For once he had the same number of boys when he returned to Altona that he started with.

By RON COLEMAN.

Our STAR this week is also a SAINT—Chris St. Nicholas. Chris, a well-known and very talented pop singer from Newport, reports that since his split with Pat of the Chris and Pat duo he hasn't looked back.

Indeed, I don't blame him, for since then he has appeared on "Night Time For Terry," radio and many major Melbourne dances.

When he began his solo act Chris wore a "little boy blue" outfit, but soon this became over-exposed and he changed to a red nightshirt (to attract girls, not bulls), but since then he's come a long way—would you believe a suit?

Then with the ever changing scene in Melbourne Chris was forced to take on other forms of entertaining, such as compering, and this became regular work.

His latest achievement is appearing on 3DB's "Hillbilly Time" tape to be played to Australian troops in Viet Nam.

This, he feels, is something really worth singing for.

So, GIRLS, you'd better keep your eyes open for that saintly little chap—CHRIS ST. NICHOLAS.

Fan Club Address: 267 Pascoe vale-rd., Essendon, Victoria.

SINNERS

SINNERS this week are those people who threw crackers where they shouldn't have on Empire Day last week. — Naughty, naughty.

COMPETITION FOR THIS WEEK

This week NEV's FREE RECORD will go to the onlooker who sends in the longest list of pop groups—these groups can be any nationality, but don't make up too many.

Entries must be lodged by Monday at the latest, so get those toilet rolls out now, you "dead sock stinkers." Address all entries to "SSS Competition," C/- "Altona Star," 101 Pier-st., Altona.

Max Merritt For Britain

Next to jump on the London-bound "bandwagon" is MAX MERRITT, who is now in the process of carefully handpicking his retinue.

Max, who has just returned to Australia after a holiday in the South Pacific, plans to invade the shores of Britain on August 5. In Britain he hopes to secure a contract to appear at Carnaby-st.'s famous "Bag O' Nails" which is part-owned by Paul McCartney.

So far Max has been lucky in acquiring Stewey Spears, a 50-year-old renowned jazz drummer from the Latin Quarter in Sydney. Believe me, this bloke would have to be good to replace

Max's previous drummer. Also included in the new line-up is John (Yuk) Harrison, a base guitarist who was so taken by Max's offer that he changed his mind about joining the Playboys, who are in London.

GOSSIP

I've heard of some crazy stage acts before, but get this—as part of their act one pop group in England actually cuts up cars with oxy-acetylene welders while they are playing. Man, what some groups won't do to create a spectacle. Fortunately The Who and Rolling Stones no longer smash and wreck their musical equipment at the end of their acts.

Johnny Young leaves for England on June 1—say your good-byes, girls.

If you're wondering why you haven't heard any new recordings from singer Gary Lewis (son of actor Jerry Lewis) it's mainly due to the fact that he's been drafted into the United States Army.

Apparently one of the Beach Boys has been arrested for trying to evade the draft.

Elvis Presley's manager, Col. Tom Parker, is likely to become Tom Jones' United States promoter.

Organist Tweed Harris has split with Barry MacKaskill, who is now the only original member of the new Clefs. With the addition of a new Negro singer to add that Blues touch, Barry's line-up is now known as Levi Smith's Clefs, who are now under new management.

Despite the Walker Brothers split up, they will still record a few numbers together.

For 70c record specials go to Nev's Variety Bar.

Buddy England under new management.

Ronnie Burns for America soon?

New record by the Group is predicted to be the best yet.

Norman Willison

Spoke to Norm Willison at Werribee on Sunday night.

Norm, a "Komotion" star is turning to singing now. NORM LIKES: Intelligent people.

HATES: Smart people.

Good on yah, Norm!

RAY BROWN AT WERRIBEE

Yes, the fabulous Ray Brown has come from Sydney to appear at Werribee this week.

Other future attractions include Twilights, Vibrants and Group.

One record to watch is "Hi Silver Lining," by Jeff Beck. The Masters' Apprentices wing "Undecided" with a number took Sydney by storm recently follow up their successful record called "Buried and Dead." Mitch Ryder, who, with group the Detroit Wheels said "Devil with the Blue Dress" some time ago, returns with "Too Many Fish in the Sea." The Twilights recording "Young Girl" is not predicted to be a big hit.

Same goes for Dinah Lee's new recording—"Sorry, Mama."

But never fear, Buddy E. and could make it with "Sunny" Leader of the Pask Makes Comeback—sung by the Sharrilas.

Good old Jack Jones still goes strong, sings, "I'm Indestructible."

"Groovin'" by the Young Rascals, has hit it big in America and is expected to take Australia by storm soon.

SPEAKING FOR
ALTONA CAR
SALES

GRAHAM SPENCE
SAYS . . .

During recent weeks, the Daily Press has mounted a campaign against "Unscrupulous Bomb Dealers," who foist unroadworthy death traps onto the supposedly unsuspecting public.

It has been suggested that existing legislation be tightened to prevent the sale of vehicles such as that purchased by a Melbourne newspaper reporter last week.

We feel that the problem is much deeper than this, and the solution is not to be found in the present legislation. It is a matter involving not just the Used Car Trade, but the entire motoring public of Victoria.

It is not against the law to sell a vehicle without a roadworthy certificate, but the purchaser must sign a document stating that he has bought the vehicle "for wrecking, renovation or repair." If he intends to drive the vehicle on a public highway, he is then allowed a stay of 30 days in which to obtain his own roadworthy certificate. The penalty for failure to do so within the specified time is a nominal fine.

We believe that this is not the answer, just as we believe the similar timid legislation regarding the removal of police unroadworthy stickers is not enough. Surely if experienced police consider a vehicle faulty enough to deserve a sticker, it must represent a public risk when driven on our highways.

We believe that, if vehicles in these two categories are not repaired and made roadworthy within the prescribed times, they should automatically be confiscated and destroyed.

This way we will stamp out not only the "Unscrupulous Bomb Dealers," but also the "Unscrupulous Motorist," both of whom are menaces to every user of our roads.

Yours sincerely,
GRAHAM SPENCE.
